

Bobcat Biz

Maple Grove Middle School 1587 W 400 S Mapleton

July 28, 2021

Registration: In preparation for the upcoming school year, our annual online registration began March 22, 2021. If you have not had a chance to register your child for school, please log into your [Infinite Campus Parent Portal](#) and select Online Registration (immunizations and proof of residency can be uploaded within the portal - [7th Grade Immunization Flyer](#)).

Fees: Student fees are available for you to pay online starting today. To access these fees (including yearbook cost), go to [MySchoolFees.com](#). This can also be found on the MGMS website. If you are a new user, there is a 2 minute video that will help you get started. If you need to apply for a fee waiver, see below. **We request that fees be paid by August 18, 2021 (the first day of school).**

Student Schedules and Requesting a Schedule Change: Students will be able to view their schedule in the Infinite Campus Portal beginning August 2, 2021. Core Classes (Math, English, Science) are scheduled in pods. Requesting a change to any one of these classes will change all three. It is also likely that requesting a change to an elective class may change a student's pod as well. **Because of the complexity of the scheduling, we ask that you consider only requesting necessary academic changes.**

All class changes can be requested online using the [MGMS Class Change Form](#). You can also find this form on the MGMS Counseling website: [maple grove counseling.weebly.com](#). Class change requests will be available from August 2nd-August 17th. Before submitting a change, please review the [MGMS Master Schedule](#) to see if your request is possible. Classes that are full will be marked in red. This document will be updated periodically so you may see what classes are available at that time. Please note that not all class change requests will be possible. After a request is submitted it may take a few days before the change is made. The change will be reflected on your students' Infinite Campus account.

Ribbon Cutting: The ribbon cutting ceremony will be Monday August 16, 2021 at 11:00 a.m. Please join us to celebrate the opening of the new school.

Choir for Ribbon Cutting: We are recruiting singers to perform a musical number at the ribbon cutting. If you are a future Maple Grove 6th or 7th grader you are invited to participate!! Please report to the choir room for practices on August 10th and August 12th at 9:00 a.m. in the morning for practice prior to the number that will be performed during the ribbon cutting.

Open House

Open House: We will be hosting an open house from 1:00 p.m. to 6:00 p.m. on August 16, 2021. Bring your student so they can tour the school and see the rooms where they will be learning.

Optional 6th Grade Orientation: On August 17th from 8:30-10:00 a.m. , we invite all sixth grade students to attend a welcome assembly and a shortened school day (5 minutes per class). The students can also practice opening their lockers and navigating the school. We invite parents to drop their students off prior to 8:30 a.m. for this optional orientation experience. Please pick up your student at 10:00 a.m.

Optional 7th Grade Orientation: On August 17th from 10:30 a.m. to noon, we invite all seventh grade students to attend a welcome assembly and a shortened school day (5 minutes per class). The students can also practice opening lockers and navigating the school. We invite parents to drop their students off prior to 10:30 a.m. for this optional orientation experience. Please pick up your student at noon.

Fee Waiver: Students who cannot afford to pay school fees can file for a fee waiver. Information about waivers can be found on the [Utah State Board Site](#). Because we are considered a secondary school, the grade 7-12 [Fee Waiver Application Form](#) will be used for both 6th and 7th grades. You must bring your form and your verification into the school. Administrators will be available to meet with you about waivers on August 10th, 11th, and 12th.

Hiring: Maple Grove Middle School has job openings for the 2021-2022 school year. We have opportunities for technicians with positions in special education, as instructional technicians, and a posting for an ESL technician. Apply using this [link](#), if you are interested.

ONLINE ACADEMICS: If you are interested in having your student(s) participate in a full-time online school through the Nebo Online Learning Summit, please [click here](#) to learn more. To enroll in the Nebo Online Learning Summit, please [click here](#). Following completion of the enrollment form, a member of the Nebo Online Learning Summit team will contact you to begin the registration process.

Maple Grove Calendar: Here are the dates of important events. You can also click on this [link](#) and go directly to the Maple Grove School Calendar so that you can follow events that are happening at school throughout the year.
