### VALENTINES DAY

\*Valentine's Day is coming up and we are all excited for the day dedicated to showing love. Please know that we love your students and strive daily to create positive meaningful educational experiences for them, even on Valentine's Day. We have seen that schools can be easily inundated with deliveries on Valentines Day. This can be a major distraction for students and teachers as well as a logistical challenge for our two secretaries. Because of that, we will not be delivering Valentine gifts to students at school. Please save any student Valentine deliveries for outside of school. If you choose to send something, we will hold it in the office for your student to pick-up after school. Thanks for your understanding and support!

### PARENT-TEACHER CONFERENCES

The final parent-teacher conference for this school year will be on February 15, 2024 from 4:00 pm to 8:00 pm. Come check in with your child's teachers. This conference will be held in teacher's classrooms so bring your child's schedule - teachers are looking forward to updating you on the progress of your child!

This year we have the opportunity to create love boxes for refugees as well as donating much needed food items to Tabitha's Way. Look for more information in next week's newsletter.
